

February, 2018

Dear Parents,

As you know, an important component of student success is for parents and schools to develop a partnership for the benefit of the children, as well as parents and teachers alike. To that end, I have put together a calendar of dates for parent meetings, each with a different theme/topic. The meetings will be held once a month, alternating between morning and evening times, when possible to allow for as much participation as possible. Many of the meetings will feature a guest speaker related to the month's specific topic. Light refreshments will be served at all of the meetings. The meetings are for adults only. Please be sure you call the office or email Mrs. Bateman at jbateman@slswhitestone.org to RSVP to each meeting at least one week prior to the date so that we can plan refreshments and materials accordingly. All parents/caregivers are welcome to attend the meetings and we encourage you to attend as many as possible. I look forward to sharing these times with you.
