

Lucky Ducks at SLS

We are excited to announce the return of our favorite fundraiser for the year:

“Lucky Ducks!”

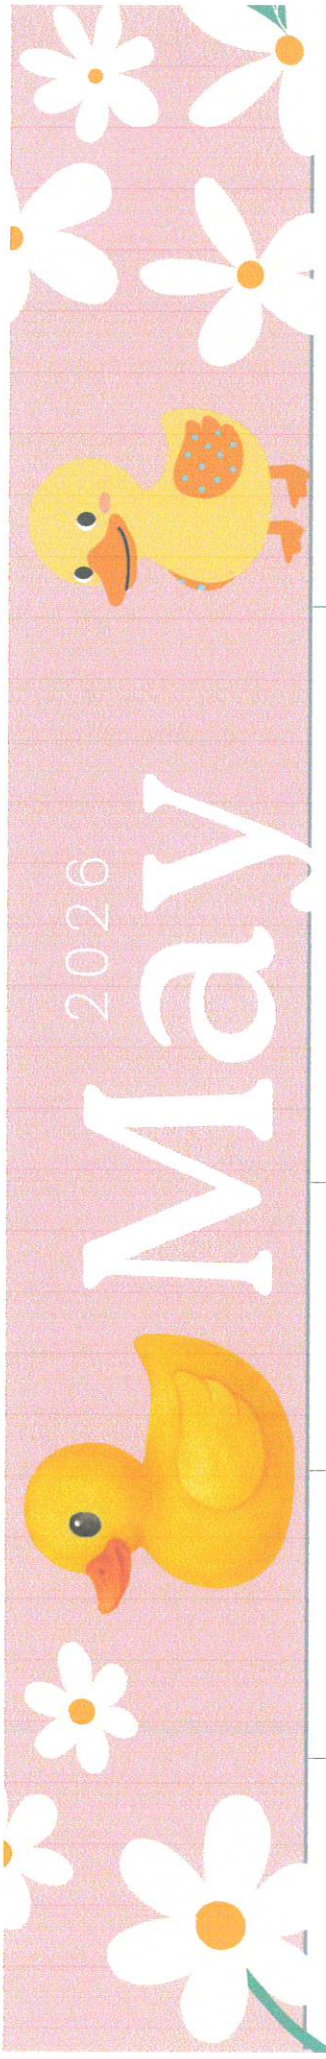

We will be selling rubber ducks which are numbered in the order of purchase. Each school day from 5/1- 6/18, we will randomly choose a number using a computer app. Whoever has the duck with the corresponding number will win the prize listed for that day.

Numbers can win more than once. Ducks are \$10 each and are unlimited. Ducks can be purchased from now until the last day. Each day is a new chance to win! Please complete the form below to get your ducks in time for the first day of the raffle, which is 5/1.
