

SPECIAL EDUCATION: GROWTH IS THE GOAL

June 2026

Reflection Honors Progress and Build Forward

As we close another wonderful school year, we celebrate the incredible growth our students have made academically, socially, and spiritually. June is a time to reflect on accomplishments, recognize perseverance, and look ahead with confidence and gratitude.

Thank you for your continued partnership and support throughout this school year. We are proud of all our students have accomplished and wish your family a joyful, restful, and safe summer!

Why This Matters

Every learner deserves the opportunity to see and celebrate their growth. Reflection helps students recognize their progress, appreciate their hard work, and continue building confidence as learners and members of our school community.

What This Looks Like

Students will revisit their learning through portfolios, projects, and reflections that highlight growth throughout the year.

Instructional Focus

- Reflection and celebration of learning
- Continued support and encouragement through the final days of school

How You Can Help At Home

- Celebrate your child's progress and effort throughout the year.
- Encourage your child to reflect on favorite memories, challenges, and accomplishments.
- Continue reading, practicing math facts, and exploring learning opportunities during the summer.
- Talk about goals and hopes for the upcoming school year.
- Encourage gratitude by discussing ways your family has grown together this year.
