Tuition Information

All families must enroll in FACTS Tuition Management for the collection of tuition. FACTS is the company that manages Saint Luke's tuition billing and payment activities. Once you have registered, FACTS will send you an e-mail inviting you to open your account using a link provided in the email. Once you have followed the link, you will choose a payment option – either monthly debits, on-line payment, pay by mail, or pay over the phone. Cash will not be accepted for tuition payments. FACTS will automatically bill and provide monthly statements, secure on-line access to your account and a phone number to contact a representative if needed. There is no cost to you as the Diocese will pay for the service directly. Partial tuition assistance is available through Futures in Education. To apply, go to Futures in Education at www.futuresineducation.org.

Tuition fees and information can be found on our website at slswhitesone.org. Click on "Admissions," then "Tuition."
